Objective

To secure an entry-level position in a reputable IT company, where I can apply my knowledge and skills in computer applications, programming, and software development to contribute to the company's growth and success.

Skills

Programming Languages: Java, SQL, PHP, JavaScript

Web Technologies: HTML, CSS, JavaScript, jQuery

Core Concepts: Object-Oriented Programming (OOP), Data Structures, Multithreading, Socket Programming

Database Technologies: MySQL, MongoDB

Tools & IDEs: Eclipse IDE, VS Code, Git

Soft Skills: Problem Solving, Team Collaboration, Communication Skills

Education

Bachelor's Of Computer Application

SNBP ACS and MS College, Pune

Graduated: 2025

CGPA: 7.90 / 10

Higher Secondary Certificate (HSC)

C.K. Goyal Jr. College, Pune

2022

Percentage: 60%

Secondary School Certificate (SSC)

Dnyanraj Madhyamik Vidyalaya, Pune

2020

Percentage: 73%

Projects

Java Chat Application – Real-Time Messaging System | *Java, Socket Programming*

2026

- Developed a real-time client-server chat application using Java Socket Programming and TCP/IP protocol for seamless communication.
- Designed a multi-threaded server architecture to manage multiple client connections simultaneously and improve performance.
- Implemented bidirectional communication using Java I/O Streams for efficient message transmission between clients and server.
- Applied networking, synchronization, and exception handling concepts to ensure reliable communication and application stability.

Cloud Classroom – Online Learning Management System | *HTML, CSS, JavaScript, PHP, MySQL*

2025

- Developed a web-based Learning Management System (LMS) enabling course creation, student enrollment, assignment submission, and academic management.
- Implemented role-based authentication modules for students and administrators to improve security and access management.
- Integrated MySQL database with backend modules for efficient data storage, retrieval, and management.
- Designed responsive and user-friendly interfaces using HTML, CSS, and JavaScript to enhance usability and user experience.

Awards & Certifications

- **AI & ML Course Completion Certificate – SNBP ACS & MS College (2024):** Completed training in Artificial Intelligence, Machine Learning, data analysis, and dashboard development.
- **Best Final Year Project – 2025, SNBP ACS & MS College:** Awarded for developing Cloud Classroom LMS with course management and student enrollment features.
